

## **Yasawa Fiji**

Fijians have 15 words for heaven, the first one is Yasawa.

Immerse yourself in splendid isolation in the most unspoiled reaches of the Fijian archipelago. Tucked amongst the palms on this remote island are just 16 thatched one and two bedroom bures nestled amidst lush gardens on the edge of a beautiful white sand beach.

The bures have both ceiling fans and air-conditioning to supplement natural cooling breezes through luxuriant foliage, timbered sun decks and the deluxe beachfront bures are spacious split level bures. Yasawa's crystal clear waters are perfect for scuba diving, snorkeling, windsurfing or deep sea fishing. There are no other resorts, no television and just the whisper of the waves and sea breeze to break the silence.

If you're looking for a vacation offering complete solitude and absolute luxury - Bula. Welcome to Yasawa Island Resort, named the *South Pacific's Best Resort* in 2003.
