

## **CAPTAIN COOK CRUISES**

Located in Australia and Fiji

### **Murray River, South Australia**

#### **MURRAY PRINCESS**

Passenger Capacity: 120

Built: 1986, renovated 1996

Elevator: One

Staff and Crew: Australian

There's no better way to see the Murray River and a slice of the hauntingly beautiful and dramatic Australian outback, it's unique flora and fauna, and the rich legacy of old riverside ports and indigenous culture close up than to drift unhurried and quietly under the power of the paddle-wheeler PS Murray Princess.

*P.S. Murray Princess*

- **Itinerary:** There are 3,4 and 7-night cruises up **the Murray River** in Australia from Mannum to Morgan and return (the world's fifth largest river).
- **Cabins:** 60. Most are outside, all are air-conditioned.
- **Dining:** Single seating, with buffet breakfast and lunch and table service dinner. One night features a barbecue and bonfire.
- **Facilities and Activities:** This is a paddle wheeler. There is a paddlewheel-viewing lounge with nightly entertainment. Two spas and saunas. The cruise highlights nature, history, food and wine, the culture of indigenous Australians as well as Murraylands scenery and wildlife. An Aussie barbecue and a visit to a woolshed station are included. There is an optional post-cruise Barossa Valley tour (free for 7-night passengers). Most passengers are Australian.

## **Captain Cook Cruises**

### **Fiji Reef Escape**

Passenger Capacity: 120

**Departs Perth daily 11.30am, returns 2.00pm**

## **Great Barrier Reef Cruises**

Explore all the hidden jewels of the Great Barrier Reef with Captain Cook Cruises aboard the Coral Princess vessels. Choose from three, four and seven night cruises allow you to swim, snorkel and SCUBA dive amid the fish and corals in the clear tropical waters. Join the marine biologist aboard the

glass bottom boat, stroll golden sandy beaches on remote coral cays or visit secluded tropical islands and ancient rainforests, while our on-board experts interpret the natural wonders of the reef, rainforest and island habitats. We'll show you the reef most visitors never see – and you can choose to be as adventurous or as relaxed as you please.

Stroll along fringes of white sand and snorkel amongst a kaleidoscope of fish on the outer Ribbon and Hedley Reefs. Discover Lizard Island's giant clam gardens only metres from the shore. Hear native birds call from the towering rainforest canopy on Dunk and Fitzroy Islands and climb the same lookouts as the first explorers to Australia. The Great Barrier Reef is the only living thing on earth that you can see from space so imagine what it is like face to face.
